TUNE INTO SAFE HEALTHCARE SEMINAR SERIES:

Centers for Disease Control and Prevention

November 20, 2019

1:00pm -2:00pm EST

Time	Topic	Speakers
1:00pm -2:00pm	Improving Antibiotic Stewardship in Critical Access Hospitals: Strategies and Success Stories.	Michele Evink, Pharm D, BCGP, Pharmacy Manager, Clarke County Hospital Melissa Toon, R.Ph, Director of Pharmacy and Infusion Services, Greene County General Hospital Sarah Brinkman, MBA, MA, CPHQ, Program Manager, Stratis Health Melinda Neuhauser, PharmD, MPH, Pharmacist & Acute Care Lead, Office of Antibiotic Stewardship, CDC

Program Description: In spring 2019, Stratis Health, served as the Federal Office of Rural Health Policy (FORHP) Rural Quality Improvement Technical Assistance Center (RQITA). They convened a series of antibiotic stewardship focus groups with high performing critical access hospitals (CAH). The purpose of this webinar is the focus groups who identified and compiled strategies and best practices from CAH that have successfully implemented all seven of the core elements of antibiotic stewardship. Specific attention was paid to the barriers CAHs face in addressing antibiotic stewardship, including limited resources, competing priorities, and low patient volumes. In this presentation “The ABCs of ASPs for CAHs: Tips for Implementing Antibiotic Stewardship in a Critical Access Hospital”, Dr. Michele Evink, Dr. Melissa Toon, and Sarah Brinkman will discuss findings from the focus groups, including identified barriers and suggested strategies for implementing and enhancing antibiotic stewardship in CAHs. Drs. Evink and Toon will share from their personal experience as pharmacy leaders of antibiotic stewardships at their own CAHs

OBJECTIVES:

1. Discuss the latest developments in the fields of healthcare epidemiology, infection prevention, and patient safety (including immunization safety and blood, organ and other tissue safety).
2. Explain evidence-based infection control techniques and other strategies that reduce the risk and spread of healthcare-associated infections or antimicrobial resistance.

3. Discuss the importance of interdisciplinary exchange of information in translating research into advancements in patient safety and public health.
4. Participate with interprofessional healthcare team members in the management of, and health promotion for, all patients.

Origination Date: November 20, 2019

Expiration Date: December 24, 2021

ACCREDITATION STATEMENTS:

CME: The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

The Centers for Disease Control and Prevention designates this **live activity** for a maximum of **(1.0) AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE: The Centers for Disease Control and Prevention is accredited as a provider of Continuing Nursing Education by the American Nurses Credentialing Center's Commission on Accreditation.

This activity provides **(1.0)** contact hours.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer **(0.1)** CEU's for this program.

CECH: Sponsored by the Centers for Disease Control and Prevention, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES®) and/or Master Certified Health Education Specialists (MCHES®) to receive up to **(1)** total Category I continuing education contact hours. Maximum advanced level continuing education contact hours available are **0**. CDC provider number **98614**.

AAVSB/RACE: This program was reviewed and approved by AAVSB RACE program for **1** hour of continuing education. Participants should be aware that some boards have

limitations on the number of hours accepted in certain categories and/or restrictions on certain methods of delivery of continuing education. Please contact the AAVSB RACE program if you have any comments/concerns regarding this program's validity or relevancy to the veterinary profession.

ACPE®CPE: The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This program is a designated event for pharmacists to receive **(0.1)** CEUs in pharmacy education. The Joint Accreditation Universal Activity Number is **JA4008229-0000-20-156-H05-P**.

Category: This activity has been designated as Knowledge-Based

Once credit is claimed, an unofficial statement of credit is immediately available on TCEOnline. Official credit will be uploaded within 60 days on the NABP/CPE Monitor.

For Certified Public Health Professionals (CPH)

The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer **(1)** CPH recertification credits for this program.

DISCLOSURE: In compliance with continuing education requirements, all presenters must disclose any financial or other associations with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters as well as any use of unlabeled product(s) or product(s) under investigational use.

CDC, our planners, presenters, and their spouses/partners wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters. Planners have reviewed content to ensure there is no bias.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept commercial support for this continuing education activity.

Instructions for Obtaining Continuing Education (CE)

In order to receive continuing education (CE) for **WD2720- Tune into Safe Healthcare Seminar Series: *Improving Antibiotic Stewardship in Critical Access Hospitals: Strategies and Success Stories.***

please visit [TCEO](#) and follow these [9 Simple Steps](#) before **November 20, 2020**.

Complete the activity

Complete the Evaluation at www.cdc.gov/GetCE

Pass the posttest at 75% at www.cdc.gov/GetCE (if applicable)

FEES: There are no fees for CE.
